

CUSTOM PRINTED PENNANT STRINGS

WE SPECIALIZE IN A VARIETY OF PRINTING AND FINISHING TECHNIQUES in order to supply you with beautiful, affordable, and easy-to-display custom printed pennant strings. Custom printed pennant strings are great for both indoor and outdoor promotions. Whether you have specific budgetary constraints, or need to comply with specific design, print resolution, or shape requirements, our knowledgeable and experienced staff will be delighted to assist you in selecting the most appropriate, cost-effective printing technique to ensure that your next promotional event is a success.

DIGITAL INKJET PRINTED 6-MIL POLY PENNANT STRINGS

Digital inkjet printing is ideal for lower quantities while still allowing you the option to print anything. Available in one or two color designs to high quality, photographic, full color graphics. If you are budget-conscious, alternating your design with heavy duty 6-mil poly unprinted colored or checked pennants may be worth consideration. Call for a quote.

- Printed in full color on one or both sides with long-lasting, fade-resistant inks
- Printed on 6-mil opaque poly or textile polyester
- Rectangular, triangular or special shapes available upon request

FLEXO PRINTED POLY PENNANT STRINGS

Flexographic printing is the most cost-effective process for large quantity runs. It is able to accommodate up to 8-color imprints with full bleed.

- Triangular pennants printed one side only
- 2-sided rectangular panels are printed on super-opaque white co-extruded polyethylene
- Rectangular pennants have a larger graphics area for greater visual impact

All pennants are double-sewn on heavy-duty plastic-covered header.
